About us

Melmarc is a vertical private label apparel manufacture that provides companies with the licensing alternative to grow their brands. Melmarc's design to fulfillment platform delivers a structured apparel program optimized for production efficiency to drive profitable growth.

Supply Chain, Manufacturing, and Quality Control

We curate every step of our production, from sourcing the raw materials to the construction of the finished T-Shirt. We continuously refine and improve every detail of our construction process in order to offer the highest quality product possible.

Our Colors

Melmarc color guide showcases a full spectrum color pallet in variety of premium fabrications
